Giant Robots that you build,
you transform, you destroy!

TYCO

SUPER BLOCKS™ Action Building Sets
ROBO-BLOXX

You've never seen Building Sets like these before! From the ashes of an ancient empire come Robo-Bloxx—giant good and evil robots ready to engage in combat for domination of the planet! Heroic Laserbloxx transforms into a BattleWagon, while his lieutenant, mighty Skybloxx switches to Spaceship mode to fight the evil Bloxxzar and his band. Bloxxzar flies as a laser-armed helicopter; Bloxxclaw transforms to a powerful bulldozer; and Bloxxblaster carries his deadly cannon in a transformable six wheel weapon!

You build Robo-Bloxx block-by-block, you transform them from Robot to Battle Vehicle and back again. Only you have the power to build—to transform—to destroy—and build again!

Add standard Super Blocks to Robo-Bloxx building sets to make even bigger, more thrilling projects. And—like all Super Blocks—they work with Lego®.
